Why Rent?

Having the right equipment for each project can be difficult to plan for. Renting equipment eases the burden of storage space, transportation between projects, maintenance downtime and costs as well as freeing up initial capital.

Why Rent From Badger?

We take pride in offering highly maintained and tested equipment for worry free rentals. Our large inventory incorporates the latest technologies from the most trusted vendors in the industry. Our team is responsive and well trained in the equipment and you'll find us easy to work with. We always have your best interests in mind.

Rental Rates

Published Rates are subject to change. Rates do not include any damage incurred during the rental, renter will be responsible for parts and labor of repairing equipment if damage occurs.

Weekend Project? A 1 day charge for the weekend! Pick up Friday afternoon return Monday morning (before 8 am) for a 1 day rental charge!

*Items with hour meters subject to time limits

Shift Rates

Certain equipment has hourly limits of 8 hours a day, 40 hours a week or 160 hours a month. Additional shift charges may apply.

LIFTS / MOVING EQUIPMENT

Electric Scissor Lift

Max Platform Height: 18' 11" 500lb.
Capacity.
Height (stowed) 6'-6" Width 2' - 7"
Length 6'-3"

Material / Furnace Lift

20 ft Lift Height
800lb. Capacity.
6'H x 3'W x 7'L folded in

Manual & Powered Appliance Dolly's

RENTAL PRODUCTS

RIDE ON VIBRATORY ROLLER

Articulated movement with power-assist provides accurate, positive steering control and increases maneuverability in confined job sites

Large 40 Gallon Poly Water Tank

3,100 lbf Compaction Force
0 - 4.8 mph Travel Speed 3,173
lb Operating Weight 35.7 Inch
Drum Width

REVERSING PLATE COMPACTOR

High Compaction force combined with fast forward and reverse travel speeds.
749 lbs Operating Weight 17" x 35" Base Plate Size Honda GX390 Gas Engine 12,364 lbf Centrifugal Force

RAMMERS / JUMPING JACK

MTX Series Rammers are renowned for performance and ease of operation.

4 Cycle Honda GX100 Engine
3,064 lbf Impact Force
13.4" x 10.4" Shoe Dimensions
141 lb Operating Weight

PLATE COMPACTOR

5.5 HP Honda Gas Engine
20" x 21" Plate Size
82 ft Max Forward Speed
3,372 lbf Centrifugal Force
With or With Out Water Tank
229 lbs Operating Weight

BATTERY POWERED PLATE COMPACTOR

E2000 powered by Honda eGX Battery.
Weighs 201 lbs. Fully charged battery lasts 30 min.

PAVER PLATE COMPACTOR

Give interlocking pavers an even finish.

The machines' hard rubber rollers make it virtually impossible to chip corners, scatch, break or drag pavers.
Great for narrow areas and exerting compaction pressure alongside walls.
Toolles foldable handle allows for quick and easy loading into vans and trucks.
Rollers allow for easy pull back to compact on the spot.

CONCRETE TROWELS / CONCRETE SCREEDS

Available in LP (36" Trowel Only)

Walk Behind Trowels

36" Gas 5.5 HP Honda
150 lbs Operating Weight
Standard Handle
Combo Blades Included

46" Gas 9 HP Honda
240 lbs Operating Weight
Standard Handle
Combo Blades Included

Walk Behind Edging Trowels

24" and 30" Sizes Available

5.5 HP Honda Gas Engine

Concrete Vibratory Screed

4-Cycle Honda GX35
Trigger Throttle allows instant
response to concrete conditions
6', 8', 10', 12' and 14' Bars
Available

Riding Concrete Trowels

8' Stick Control & 8' Hydraulic Steer
Options Available

Setting the standard for concrete
trowels in the industry

- Gas or Diesel Powered 8' Stick Machines
- Dual Fuel (Gas or LP) Powered 8' Hydro
- Combo Blades Standard on all Machines
- Float Pans Available for Rent

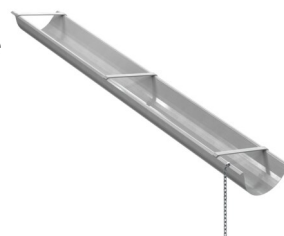

CONCRETE VIBRATORS GAS & ELECTRIC

Electric Hand held Vibrators,
Hi-Cycle Electric Vibrators, Gas
Back Pack and Gas Pole Hand
held Vibrators Available

CONCRETE CHUTE

The one-piece construction
provides strength. Flat welded
bars spaced along the top of the
chute provides rigidity for
strength. The included chain
allows the chute to be secured to
the truck. 12' & 16" Lengths

RENTAL PRODUCTS

POWER BUGGY

Perfect for quick and easy material transport around the job site. These buggies give excellent traction in job site conditions.

**AVAILABLE IN GAS
AND LP**

11, 16 AND 21 CUBIC FOOT SIZES

TRACK POWER BUGGY

Features an aggressive track pattern enabling the buggy to travel effortlessly through soft soils and muddy site conditions.

TRACK PIVOT DUMP BUGGY

Tub pivots up to 180 degrees (Features both hand & foot levers to control rotation)

Rotation system features hydraulic cylinder to rack & pinion
Pivot system features idler wheel to maintain hydraulic hose tension and prevent chaffing

Optimal traction and durability assured by a steel imbedded ladder track design

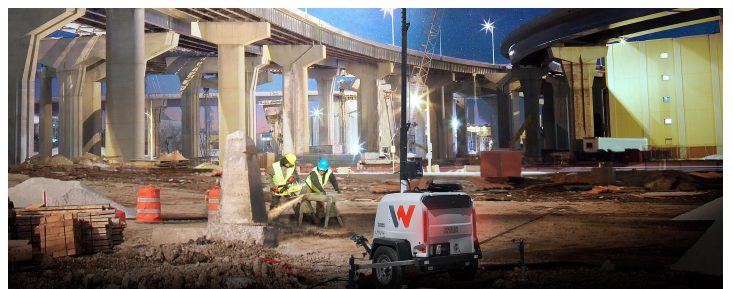

BATTERY POWERED BUGGY

Exceptional runtime and a compact design make it nimble and convenient. The electric Ultra Buggy® is powered by HyperCell®, a battery technology developed by Toro, to match the power of our traditional gas powered products and is optimized to deliver up to an exceptional eight-hours continuous runtime, allowing it to run as long as your crew.

LIGHT TOWER

Perfect choice for illuminating construction sites, outdoor events, industrial applications and emergency work.

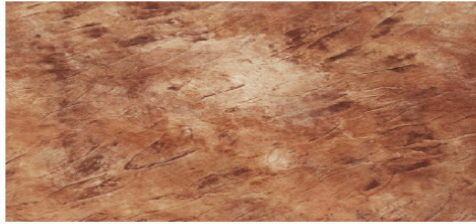

CONCRETE STAMPS

- Concrete Texture Kits include full set of stamps or boarder tools, with texture and touch up skins.
- We also stock decorative release, antiquing release and colors.

available for rent or purchase

RENTAL PRODUCTS

SAWS

Cut Off Saws 14" / 16"

GAS OR ELECTRIC OPTIONS AVAILABLE

Battery Powered 14" Saw

5.5" Cutting Depth

Zero CO2 Emissions

Hydraulic Ring Saw

10" Maximum Depth of cut

Runs off of Hydraulic Power Pack

Hydraulic Power Pack

Maximum 10gal/min Hydraulic Flow

14HP Gas Engine

280 lbs

Hydraulic Chain Saw

15" or 20" Cut Depth available

Runs off of Hydraulic Power Pack

Cut n Break Saw - Electric 110V

Max 16" Cutting Depth in Concrete.

Electric Brick and Block Saw

14" Blade Guard for 5" Cutting Depth

Optional Water Kit for Dust Control

Wet Tile Saw with Blade

Gas Push Saw

14" Blade Diameter - 5" Max Cutting Depth

Water Hookup to Control Dust

Gas Self Propelled Saw

20" Blade Diameter - 8" Max Cutting Depth

Water Hookup to Control Dust

Depth Cut Control

Electric Push Saw

16" Blade Diameter

240V 19.5 Amp with Pigtail for hardwire or dryer plug

Water Hookup for Dust Control

Air Push Saw

120 CFM Required

Water Hookup for Dust Control

Diamond Blades

Concrete, Asphalt, Masonry, VariCut, Masonry, Ductile Iron and Green Concrete diamond blades available for purchase and rent.

GREEN CONCRETE SAWS

Soff-Cut Prowler Push Saw

Uses 6" Soff-Cut Blade
1-3/16" Depth of Cut
Includes Dust Port

Soff-Cut Self Propelled Saws

4000 Saw - 13.5" Max Blade Diameter
2.75" Max Cutting Depth
Includes Dust Port

2500 Saw - 10" Max Blade Diameter
1.5" Max Cutting Depth, Includes Dust Port

*Blades Sold Separately

SCAFFOLDING

Scaffolding Towers & Accessories

5' x 5' Frames Available
7' Planking with hooks
Guard Rail Packages

Adjustable Leg Bakers Scaffold

6' High with Adjustable Ends and Casters
Great for painting, drywall or working on stairways

MIXERS - CONCRETE / MORTAR

3 Cubic Feet Electric Mixer

Poly Tub, stand for easy pouring, wheeled for easy transport. 110V Electric Motor.

Mortar Mixer - Electric or Gas

Tow Behind 2" Ball Required
6 Cubic Feet Mortar Tub
Gas Engine or 110V Electric

Gas Concrete Mixer

Tow Behind 2" Ball Required
6 Cubic Feet Mixing Tub
Gas Engine

HEATERS

Forced Air Propane Heaters

Variable output, electronic spark ignition, thermostatic temperature control

*Propane Tanks Available

Premier 40 Heater

Weights 55lbs
Runs on a single 20lb LP Tank
Quiet, includes Ducting and Thermostat
Easy to Operate

RENTAL PRODUCTS
